Ohio State Men's Glee Club

The Men's Glee Club of The Ohio State University was organized in 1875 and has enjoyed a long tradition of choral excellence. Conducted by Robert J. Ward (appointed 2004), the Men's Glee Club is one of five major choral organizations in the School of Music. The auditioned membership, with 81% non-music majors, represents virtually every college and academic discipline in the University.

The purpose of the Men's Glee Club is to promote participation in choral music, to create awareness of healthy vocal technique, and to provide an opportunity to experience and perform outstanding choral literature written or arranged for male voices. In addition to the wide variety of sacred and secular music performed, the Men's Glee Club also combines with other university choruses and orchestras to perform major works. During the tenure of Professor James Gallagher the Men's Glee Club was invited to perform at two national conventions and four divisional conventions of the American Choral Directors Association. They have also performed at numerous state and national conventions of the Music Educators National Conference and the Ohio Music Education Association. The Men's Glee Club frequently represents The Ohio State University at civic and corporate functions throughout Ohio.

To permit maximum flexibility and musical variety in programming, the Statesmen were organized. Specializing in "lighter fare", this auditioned ensemble performs independently and in combination with the Men's Glee Club.

For information on Glee Club activities, auditions, or to schedule a performance contact Dr. Robert Ward at ward.539@osu.edu or call (614) 292-4622. Be sure to visit the Men's Glee Club website at www.mgc.osu.edu.
