One of the best parts about conducting a wind ensemble is the opportunity to feature guest soloists. On Syracuse University Wind Ensemble and Friends, we are pleased to showcase five remarkable soloists, musicians who have been great friends of the SUWE. If you have any of our other recordings, you will likely recognize our three trumpet soloists, John Daniel, Gabriel DiMartino, and Vince DiMartino. Added to this trio is Ronald Caravan, saxophone, and Jill Coggiola, clarinet. But these are not the only friends on this recording as we feature pieces by Daniel S. Godfrey, Joseph Downing, and Larry Bitensky, each having written other works for the SUWE.

What the listener will find here is a collection of new works, new versions of old works, and premiere recordings of several works. We hope you enjoy discovering these new works and revisiting the standard ones. We certainly enjoyed recording them.
