## About the Accompanist

### Cynthia DePrang, Accompanist

Cynthia Shadle DePrang was the second of four daughters born to Charles and Mareta Shadle. After her father accepted his calling to the ministry of the Methodist church, Cynthia and her family lived in several small towns in East Texas. She took piano lessons starting in third grade, even when the piano teacher was paid by Mareta's skills at sewing. Living beside a church, there was always a piano available for practice. When Charles died in 1965, Mareta and her four daughters were living in Houston. Cynthia graduated from Waltrip HS where her favorite classes were choir and French. Inspired by her choir experience under the direction of Norris Blevins, Cynthia attended Sam Houston State University and graduated with a degree in Music Education. She taught elementary music in Austin and in Pasadena before coming to Pearland schools in 1986. She retired from teaching in the spring of 2010 with 33 years teaching experience. Cynthia began playing piano for evening church services at the age of 10. She has been organist and choir director in several churches in Houston, Austin, and Dripping Springs, before coming to play organ for Pearland First UMC in 1985.
